

Broiler Finisher Crumbles

A larger granulated feed that is designed to produce high quality meat birds. For ages 3-4 weeks onwards.

Feeding Instructions

Feed ad lib in self-feeders, with feed conversion targets of approx 2-2.5kg of feed for each 1kg of live weight gain, over this period. Supply water at all times with dry feed.

Ingredients

Wheat 13%, Barley 13.5%, Soya 48% Hipro, Lupins 30%, Vegetable Oil, Limestone, Dicalcium Phosphate, Broiler Grower Premix, Lysine-L, Methionine, Salt, Dot 125 Premix, Agri Tylan 50 Premix, Choline Chloride 60%.

Medication Included

Broiler Finisher Granules contain an anti-coccidial medication to aid in the prevention of coccidiosis.
