

Coolgrow Pony

A complete feed for all horses, high in protein and magnesium and low in starch and energy. A great cool pellet – just add roughage.

Feeding Instructions

The following general feeding rates are suggested, however, they must be tailored to horse health, exercise regime and quality of available roughage.

Body weight	Light work	Body weight	Medium weight
300kg	2kg	300kg	3kg
400kg	3kg	400kg	4kg
500kg	3.5kg	500kg	4.5kg
600kg	4kg	600kg	5kg

Ingredients

Bran, Pollard, Molasses, Vegetable Oil, Barossa Limestone, Magnesium, Sulphate, Salt, Horse Vitamins and Mineral Mix (containing 17 micro ingredients).

Analyses	Results	Analyses	Results
